Chew On This
Just Blowing Bubbles
Spittin' Game
Penny Candy

*...I'm magnetized, I must confess
by the smoothness of your game
but if you don't come with it
later on, I might not feel the same
Look, I'm not trying to put you off
I really think about you a lot
but you keep trying to be all mysterious
you've just got to come with what you've got*
